Greetings from SMD Webtech,

Dear Ms Suang,

Thank you for giving us opportunity to work with you. We are excited to get to work on your Bus Booking Application. We want to make sure you're satisfied with our proposal and have a full understanding of what to expect in this process. Creating Web backend dashboard & Mobile apps is exciting, and our expert team is fully capable of giving you something unique that will help grow your business.

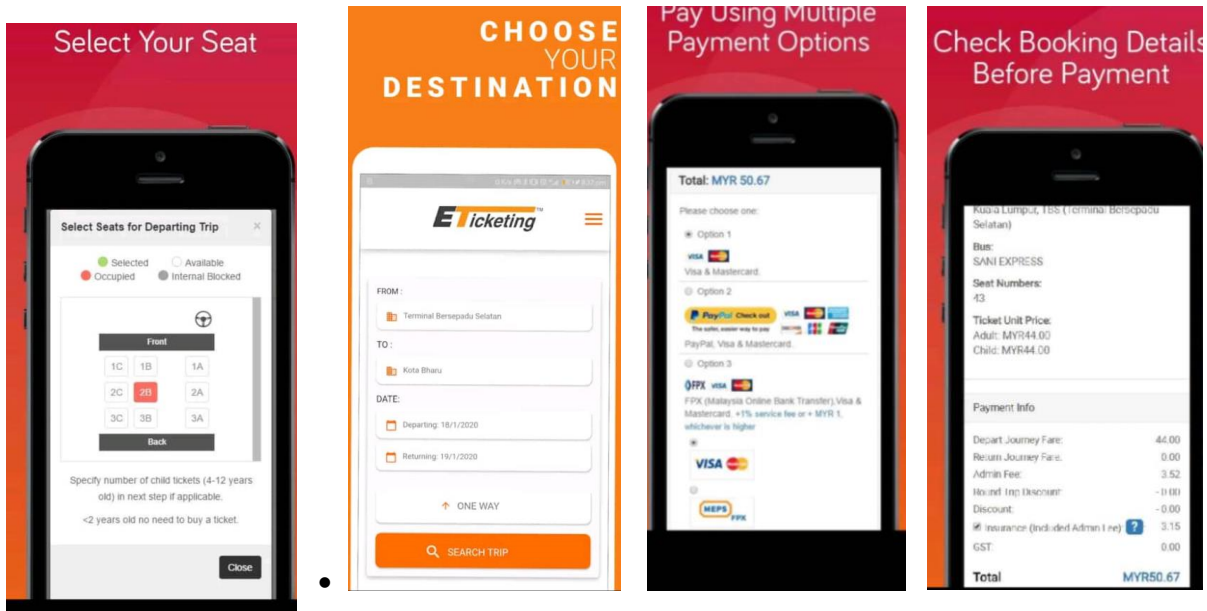

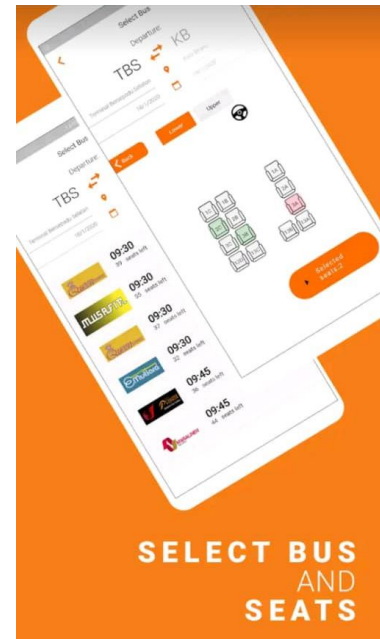

The following proposal will set a project road map from start to finish. You will have a complete understanding of the process and timeline for completion. And if you have any questions or concerns, please contact me personally and assigned Project Team.

Yours Sincerely,

Rakesh Roushan
